

LARGE ITEM PICK-UPS AND DISPOSAL

Republic Services handles our regular trash pickup. ***We will schedule the "large item" pick-up for you.*** Contact us by emailing Lawrence Management at: harbourhoa@lawrencemanagement.com or by replying to this email. Large item pick-ups are on Wednesdays. After scheduling your pick-up with us, place the item(s) in the dumpster area any day before the 7 am Wednesday pickup. Do not place in the way of a Monday or Friday regular garbage pick-up.

If you have old cabinets/countertops, furniture, appliances, or clothing to give away, check with a board member, we have a couple of referral resources, including someone that will take items to the dump. Restore Firelands Habitat for Humanity, and Good Will will pick up your items for no charge.
